50 miler

Thank you for your interest in Troop 805 – Where you can *Explore the Possibilities!* Our Troop has 49 registered scouts and 16 uniformed leaders. We pride ourselves on being a truly “Boy Run” Troop where our scouts learn to be responsible and accountable. Our planned activities include a variety of exciting and fun outings, where our scouts can master their scout skills, develop leadership and provide community service. We have a relatively small troop with a family type atmosphere. Please feel free to contact us if you have any questions.
