

JAMBOREE ON THE AIR 2013 JAMBOREE ON THE INTERNET 2013

The JOTA is an annual event in which Scouts and Guides all over the world speak to each other by means of amateur radio contacts. Scouting experiences are exchanged and ideas are shared, via the radio waves and internet. A few people realize that each year about half-a-million Scouts and Guides "get together" over the airwaves for the annual Jamboree On The Air (JOTA), and through the Internet in the Jamboree On The Internet (JOTI). Modern communication technology offers Scouts the exciting opportunity to make friends in other countries without even leaving home.
