

2021-2022 Scouting Year Registration Guide

STEP 1. **NEW SCOUTS ONLY:** Complete the [Online BSA Youth Application](#) **See below about the fee BSA charges online. This is deducted from your pack registration fee.**

STEP 2. **EVERYONE:** Complete the online [Pack 1776 Registration Form](#)

STEP 3. **EVERYONE:** Complete the [Medical Form Parts A & B](#)

Type the information into this fillable PDF and save for future use, as BSA requires parents to complete a new waiver and medical form every year in order for scouts to participate in activities.

- Did you check the "none" box or list participant restrictions on the Medical A form?
- Did both parents sign the Medical A form for the Scout? Page 1, Part A requires 2 parent signatures in the State of California.
- Page 1, Part A asks for people who can take your scout to and from events. If you list names here, no one outside the list can take your child. We suggest writing "anyone from Pack 1776".
- Did you complete the allergies section? If your scout has a "life threatening allergy" please write it on the top of page 1 with a red sharpie.
- Did you authorize non-prescription medicine (ie Tylenol) and sign if "yes"?
- Did you fill in that last date of the tetanus shot? BSA requires a tetanus shot within the last 10 years.

STEP 4. **EVERYONE: Medical Insurance Card:** Please make a copy of the **front and back** of your medical insurance card.

STEP 5. **EVERYONE: Scout Registration Fee:** Provide the scout registration fee for your year via a check made out to Pack 1776:

- **\$275 Tiger, Wolf, Bear or Webelos scout** (First through Fifth grades in 2021-2022)
- **\$200 per new Lion scouts** (those who will be in Kindergarten in 2021-2022)

NEW SCOUTS: There was a recent change to the BSA website that requires new scouts to pay the national fees up front. Previously the pack paid this on behalf of the new scout from the pack registration fee. Given this change, we can no longer do this. As such, pay the national fees online using your credit card and then deduct that amount from the \$275 (or if a new Lion, \$200) pack registration fee when preparing your check.

STEP 6. **EVERYONE: Volunteer Deposit:** Provide a separate \$200 parent volunteer deposit per family, (check postdated to 4/1/2022, also made out to Pack 1776).

- **Volunteer Deposit waived for new Lion scouts.**

STEP 7. **EVERYONE: Mail or Drop off your completed paperwork** to the Scout Box located inside the Coyote Creek Elementary School Office or bring to Rocket Day/pack meeting.
